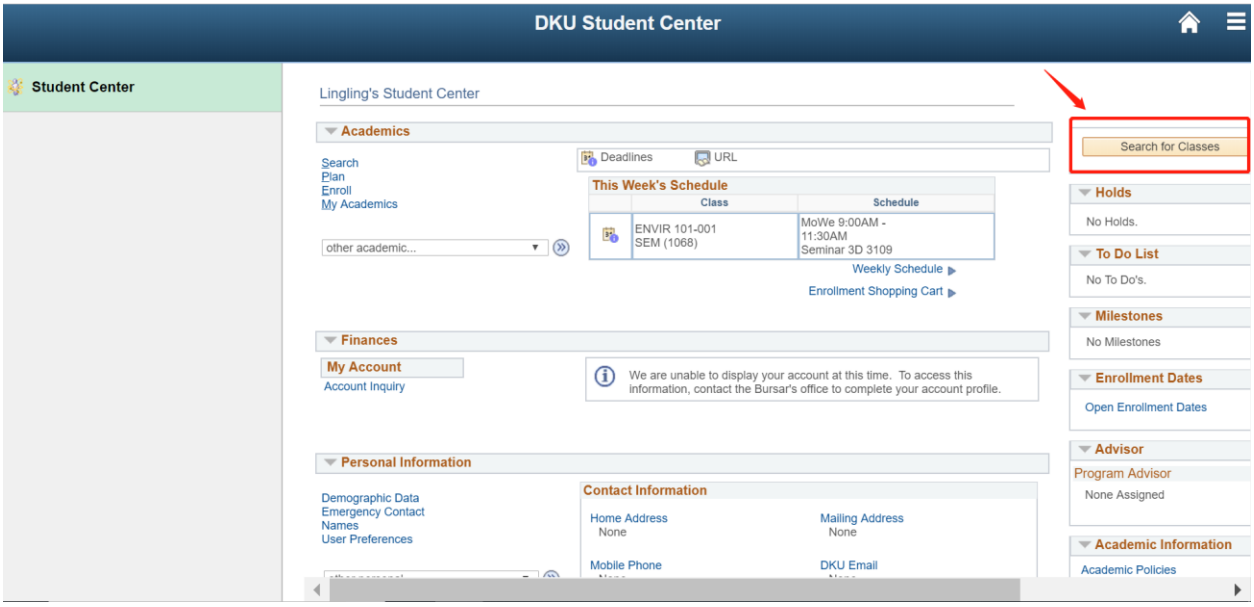
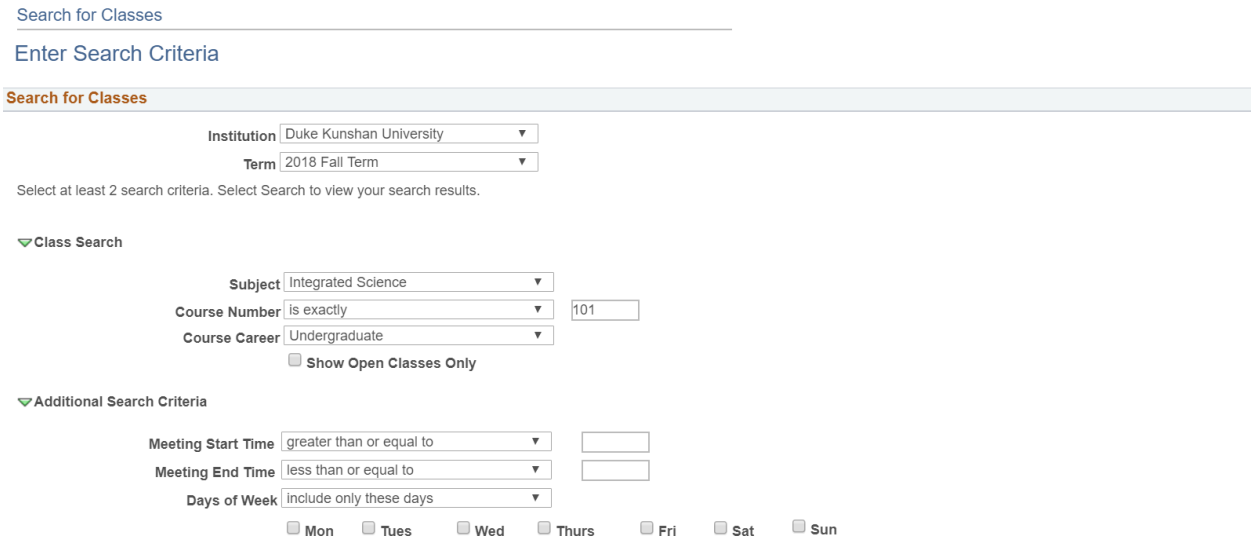
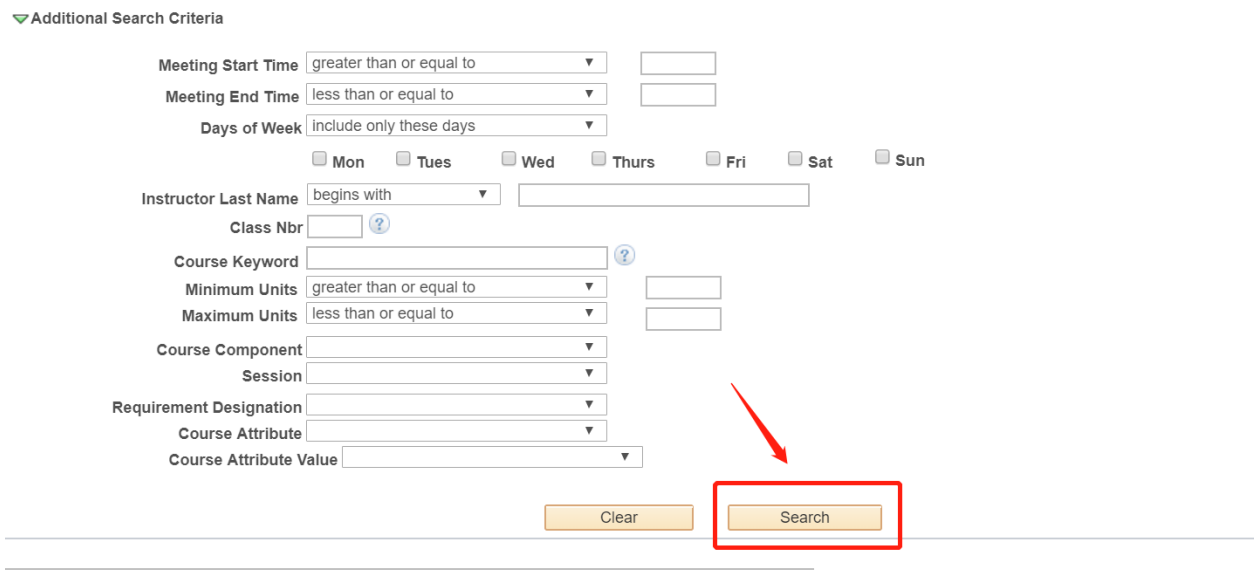
You can use course permission number to skip a prerequisite of the course you are going to select. Please view the following steps as reference.

1. First enter Student Center, and then click on the ***Search for Classes*** button.

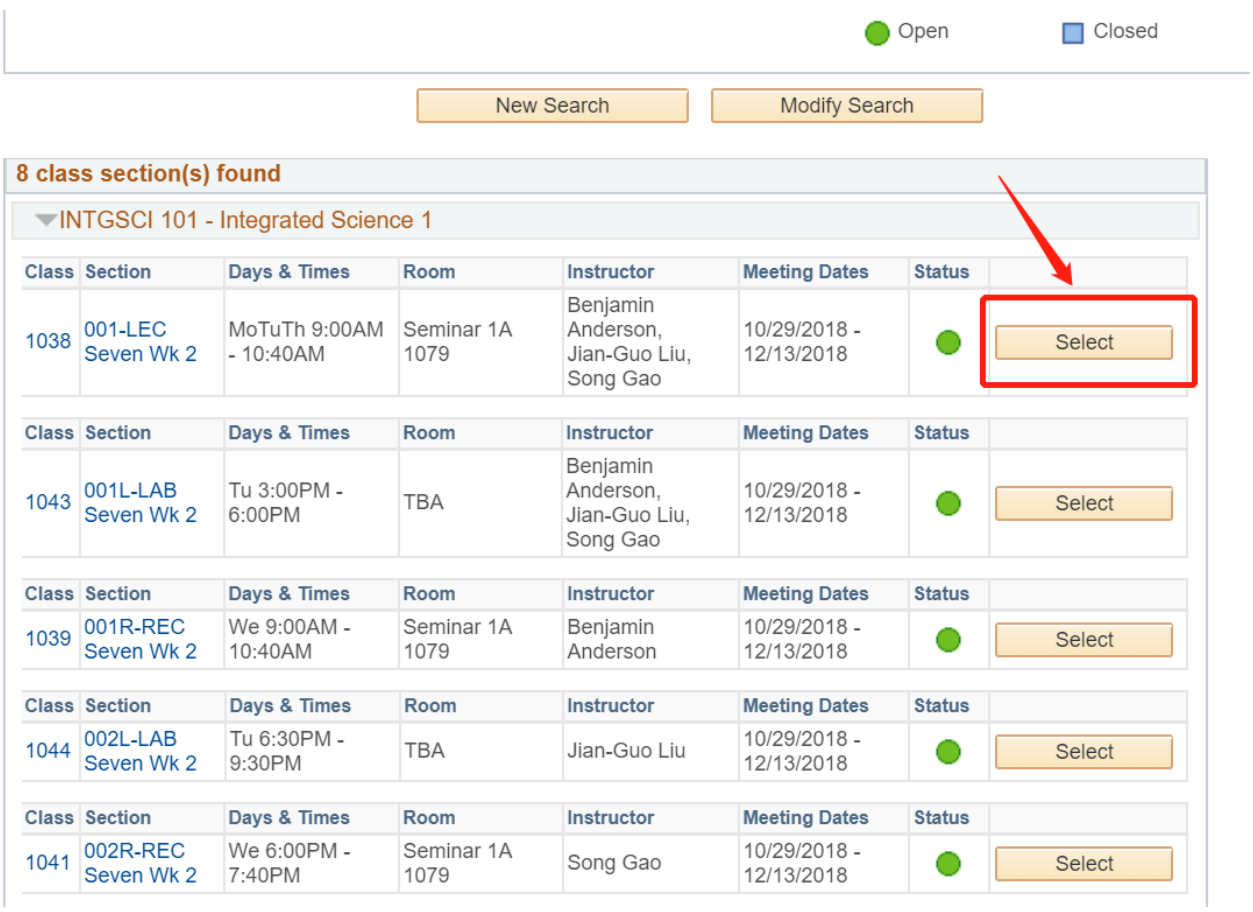


2. Select the basic course search criteria and click on the ***Search*** button at the very end of this page. (Integrated Science 101 is chosen as an example here.)

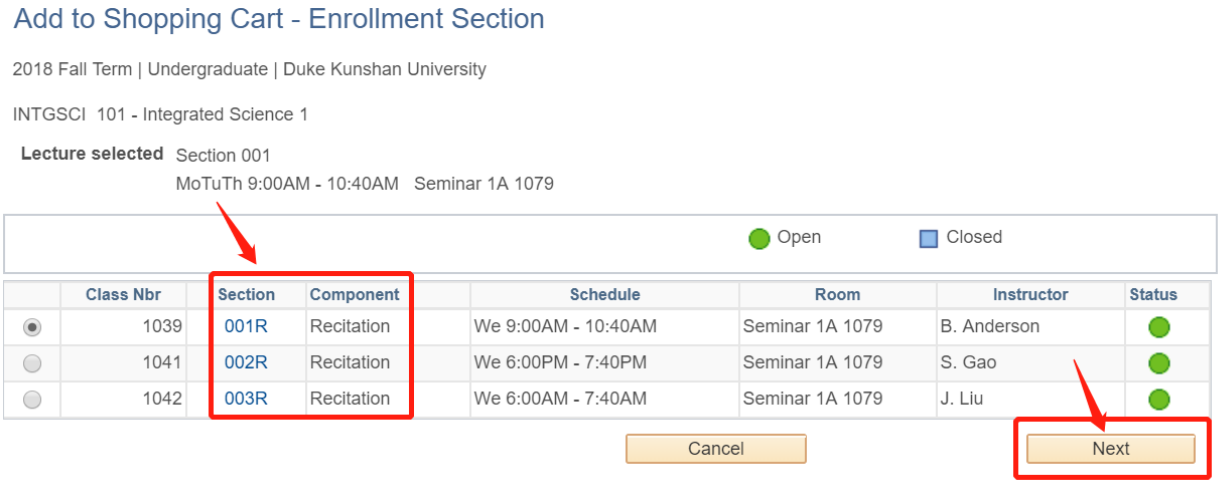




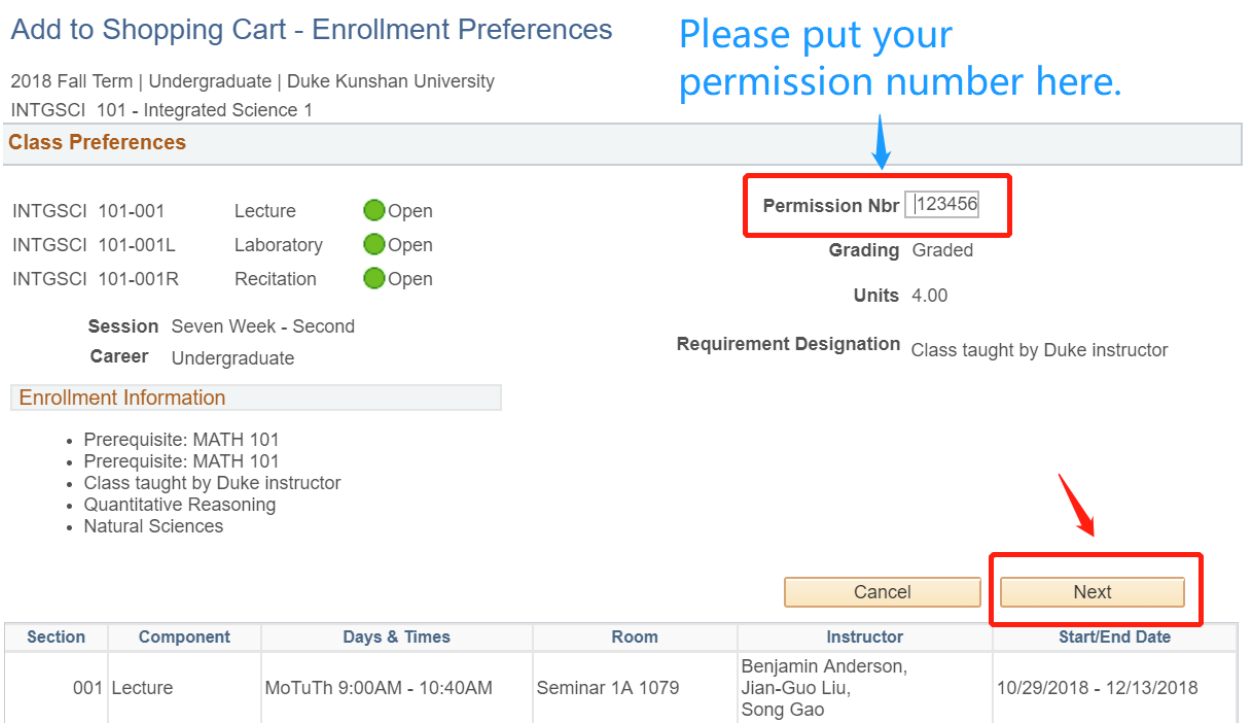
3. Choose one of the available courses on the list according to your own preference, and click on the ***Select*** button.



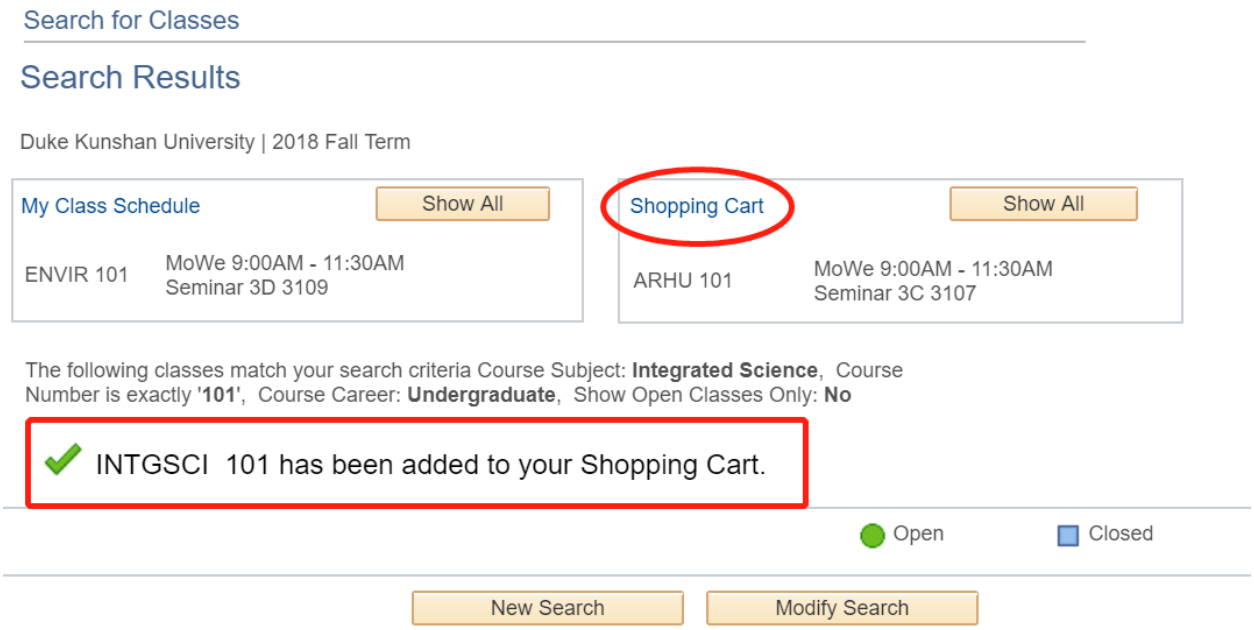
Note: Make sure you add all the required components, such as recitation or lab to your shopping cart. Then click on ***Next*** button to continue the procedure.



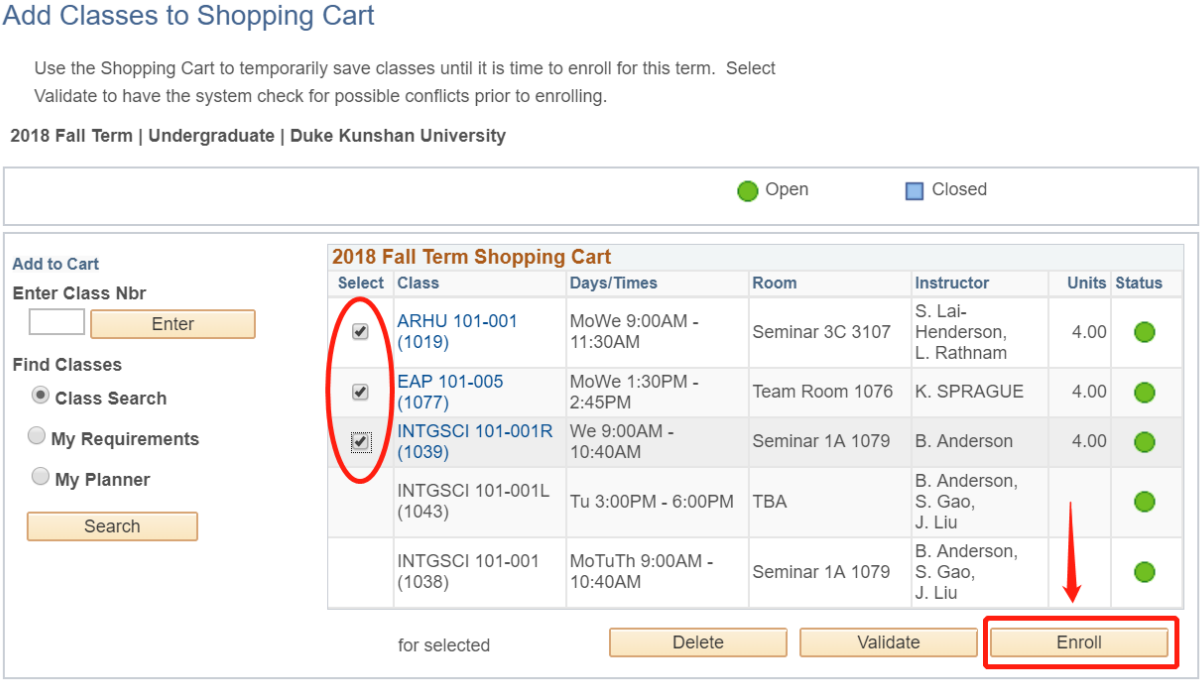
4. Put your course permission number in the highlighted box, and then click on ***Next*** button.



5. Once you successfully add the course to your shopping cart, you will reach to the page as the picture showed below, and click on the ***Shopping Cart*** button to review the courses that you have chosen.



6. Choose the courses that you want to enroll, and click on the ***Enroll*** button to go to the next page.



7. Click on the ***Finish Enrolling*** button to finalize the courses you are going to take.

2. Confirm classes

Select Finish Enrolling to process your request for the classes listed. To exit without adding these classes, select Cancel.
